

Canadian University One Year Fast Track Program

Canada is waiting for you!

Canada is a peaceful, politically stable, multicultural and safe country. The United Nations ranked Canada as one of the best places in the world to live! Canada's universities maintain high standards of academic excellence and are consistently recognized in top international rankings. Moreover, Canadian tuition fees are some of the lowest in English-speaking countries. Over the past century and a half, Canada has welcomed 15 million immigrants. International students who have graduated from a Canadian university or college have a great opportunity

to immigrate to Canada after they receive their degree or diploma. Your time in Canada will be something that you will never forget!

Fast track Program

Toronto eSchool is an accredited Ontario High School (BSID #886520) inspected by the Ontario Ministry of Education. Our teachers are all qualified and experienced, and our staff have strong contacts with many Canadian universities and colleges.

Canadian University One Year Fast Track Program is specially designed for the Grade 11 and Grade 12 international students, who wants to enter their ideal Canadian universities through our one year intensive Ontario Secondary School Diploma (OSSD)Credited courses study. Our Fast Track Program saves both time and money for international students.

Why choose TES

1. Over 3 years as an international online private school offering Ontario Secondary School Diploma credits and university preparatory courses. Our school is certified and inspected by the Ontario Ministry of Education, our teachers are all qualified and experienced, and our staff have strong contacts with many Canadian universities and colleges.

2. Our campus is located in the center area of the Greater Toronto Area, close to the intersection of Highway 401 and Warden Avenue. Our school occupies a lot of 4.24 acres and construction area of 61075 square feet. We are equipped with advanced teaching facilities and over 40 classrooms, a multi -function room and conference room. We are close to the famous University of Toronto and York University.

3. Flexible Program Entry Dates: 4 Intakes per school year, September, January, April and July. Base on student's visa application status, student can choose any one of 4 intakes to come to school.

4. Excellent academic and career counseling leading to admission to North American universities and colleges.

5. We offer an inspiring blend of in-class curriculum and after school academic support that helps students maximize their academic potential and ultimately succeed in university.

6. We provide total care comprehensive system to students. Students stay in a safe and comfortable residence environment with supportive, caring staff where they learn to adapt to North American customs and lifestyle and grow with confidence. Our teams of experienced educators assess each student's academic, social, emotional and physical needs and design a customized education plan to meet these needs and foster their success. Parents can rest assured that their children are engaged in meaningful activities and are succeeding at school.
