

2022 Canada ESL Summer Camp

Why Attend an ESL Camp?

Learn English and explore Canadian culture, with Toronto eSchool this summer!

International students, aged 12-18, will enjoy intensive English classes taught by our qualified ESL teachers - at world's most multicultural city **Toronto** and will have unique opportunities to practice their English and experience Canadian society through trips, excursions and University tour. Students can also live with a home stay family, to experience True Canadian life. This unforgettable experience will help those students prepare well for their future study in Canada.

Camp Features

This two-week ESL camp program features an exciting blend of nature, culture, fun activities and famous university tour. Half-day and full-day ESL classes are balanced with day trips to famous tourist destinations (Niagara Falls, Wonderland), day excursions to Toronto landmarks (CN Tower, ROM, Ripley's Aquarium, Science Center, University of Toronto, city hall, Casa Roma etc.), fun activities (Hiking, Picnic and Sports), shopping in the Greater Toronto Area, and dining in Canada's biggest Cafe Tim Horton, A&W or MacDonald restaurants. Campers will be deeply involved in the language through daily learning, team building and cultural activities. They are expected to speak English throughout the day through formal or informal activities to enhance their English skills (reading, writing, listening and speaking).

Happy English. A fun trip. A lifelong memorable Canadian Experience

About Toronto eSchool

Toronto eSchool is a top private Ontario High School (BSID #886520) inspected by the Ontario Ministry of Education. We offer students the opportunity to earn Ontario High School credits online and get an Ontario Secondary School Diploma (OSSD) which is widely recognized by Canadian and World universities and colleges.

Our teachers are all qualified and experienced, and our staff have strong contacts with many Canadian Universities and colleges. To date, universities in Canada, the United States and throughout the world have accepted over 200 of our graduates.

Our school has developed expertise in educating international high school and post-secondary students. We specialize in preparing our students for entrance into North American universities and colleges, as well as assisting students with learning English as a second language. Our current international programs include "Canada University one-year fast track Program" , "ESL Summer Camp Program" and "6+6 International Students Program" . TES is going to develop more "Personalized Education Program" in which we aim to meet the various needs of all our unique students.

TES campus is located in the center area of the Greater Toronto Area, close to the intersection of Highway 401 and Warden Avenue. Our school has occupied a lot of 4.24 acres and construction area of 61075 square feet. We are equipped with advanced teaching facilities and over 40 classrooms, a multi -function room and conference room. We are close to the famous University of Toronto and York University.
