

International Student Application Procedures

Toronto Eschool welcomes all international students who are interested in taking Online Courses leading to the Ontario Secondary School Diploma. No study permit is required to take any Toronto Eschool Online Course. Registration is quick and easy.

Step 1

International students wishing to take courses at Toronto Eschool should email the school at admin@torontoeschool.com.

The email should contain the following information.

- The full legal name of the student.
- The full address of the student.
- The student's birth date.
- The full legal name of both parents.
- A contact email for a parent or guardian.
- The school the student currently attends.
- The course the student is applying for.

Step 2

The Toronto Eschool staff will contact the parent or guardian of the student via email.

The school will then ask for the following documentation to be attached to an email.

- Photo Proof of Identity (Passport or Government Identification).
- The most recent official transcript from the student's school (the original and a copy translated into English).
- A letter of recommendation from a recent teacher of the student. (the original and a copy translated into English).
- A statement of the student's English Proficiency (Beginner, Intermediate, or Advanced).

Step 3

After a review of the documentation, Toronto Eschool staff will contact the parents with login and password instructions, and payment information. The student will be able to start the course immediately.
