## What are the additional fees?

To majority of the students, the online course tuition fee is the only fee you pay to Toronto eSchool. Additional fees may apply in the following circumstances:

### Part-time Students:

- **Course Transfers:** A student has the option to transfer from one course to another within the first two weeks of registration. There is an administrative fee of **\$100** applied for the course transfer. Transfers will not be available to a student who has completed more than two assessments or who has not requested a transfer within the two-week period.
- **Test Admin Fee:** If the student chooses to write a test at the Toronto eSchool campus, there is no need to find in advance of the intended exam date. However, an administrative fee of **\$69** will apply. If the student chooses to find a proctor of his/her own, the proctor must meet the set criteria and be approved by Toronto eSchool. The student will be required to cover any fees associated with the chosen proctor. Proctor may charge a fee for service.
- **OUAC/OCAS:** For students whose OSR is not held at Toronto eSchool, a fee of **\$30/request** will apply with communicating or sending reports to OUAC/OCAS and post-secondary institutions.
- **Reactivation:** You may start your course at any time and work at your own pace, however your course will be disabled one year after your start and a \$100 reactivation fee will be required to reactivate.

### Home School Students:

- **Registration Fee:** For new international students, a one-time registration fee of **\$200** will apply. This service includes: a registration documents check, English Assessment, applying for OEN, and creating OSR and initial PLAR.
- **PLAR Assessment:** Toronto eSchool can evaluate transcripts and report cards of a student from outside Ontario ( Other Provinces in Canada ) to determine if the student has completed equivalent OSSD credits. The PLAR assessment fee is **\$150**. An initial assessment is \$90; this will determine how many equivalent credits can be granted to student and how many courses the students need to complete in order to earn the OSSD. An additional \$60 applies to create the official credit equivalency report.
- **Prerequisite Waive:** A student from another province/country who wishes to have his/her prerequisite waived must submit the Prerequisite Waiver request form with supplementary

documents to support. The student must write an Assessment Test administrated by Toronto eSchool. Such exemptions are rare and at the sole discretion of the principal at Toronto eSchool. A fee of **\$100** will apply.

- **OSSLT Exam:** OSSLT exam will only be arranged for home school students attending Toronto eSchool. The students must be taking at least two courses with TES in order to be eligible to take the OSSLT. If a student wishes to take the OSSLT exam at the Toronto eSchool campus, a fee of **\$249** will apply. If a student wishes to take the OSSLT at the other locations, a fee of **\$499** will apply (the minimum numbers of students to organize overseas test will be 5 students).
- **OUAC/OCAS:** An OUAC/OCAS account can be opened for students whose OSR is hosted by Toronto eSchool. The fee for managing the account and sending transcript and documents to OUAC is **\$200**. If a document is requested to be sent to post-secondary institutions, an additional fee of \$30/request will apply for each institution.
- **Community Hours:** Students must complete a minimum of 40 hours of community involvement activities as part of the Ontario Secondary School Diploma requirements. A fee of **\$100** will apply for community involvement administration.
- **Graduation fee:** a fee of **\$200** will apply for graduation such as applying OSSD diploma, issuing official transcript.
