

Canadian University One Year Fast Track Program

Canada is waiting for you!

Canada is a peaceful, politically stable, multicultural and safe country. The United Nations ranked Canada as one of the best places in the world to live! Canada's universities maintain high standards of academic excellence and are consistently recognized in top international rankings. Moreover, Canadian tuition fees are some of the lowest in English-speaking countries. Over the past century and a half, Canada has welcomed 15 million immigrants. International students who have graduated from a Canadian university or college have a great opportunity

to immigrate to Canada after they receive their degree or diploma. Your time in Canada will be something that you will never forget!

Why choose TES

1. Over 9 years as an international online private school offering Ontario Secondary School Diploma credits and university preparatory courses. Our school is certified and inspected by the Ontario Ministry of Education, our teachers are all qualified and experienced, and our staff have strong contacts with many Canadian universities and colleges.
2. Our campus is located in the center area of the Greater Toronto Area, close to the York Mills exit on the Don Valley Parkway and the busy east- west highway 401 corridor. The two towers combined have 405,407 square feet of office space with three levels of underground parking, equipped with advanced teaching facilities and 100 classrooms and conference rooms. We are close to the world-renown University of Toronto, York University and Colleges.
3. Flexible Program Entry Dates: 4 Intakes per school year, September, January, April and July. Base on student's visa application status, student can choose any one of 4 intakes to come to school.
4. Excellent academic and career counseling leading to admission to North American universities and colleges.
5. We offer an inspiring blend of in-class curriculum and after school academic support that helps students maximize their academic potential and ultimately succeed in university.
6. We provide total care comprehensive system to students. Students stay in a safe and comfortable residence environment with supportive, caring staff where they learn to adapt to North American customs and lifestyle and grow with confidence. Our teams of experienced educators assess each student's academic, social, emotional and physical needs and design a customized education plan to meet these needs and foster their success. Parents can rest assured that their children are engaged in meaningful activities and are succeeding at school.
